## Acceptances by FUNCTION\*

## Of Those Going to GRADUATE SCHOOL

\* Functional areas represent job functions that exist in many organizations, whereas industry represents companies that are engaged in a specific type of business.

\*\* 49% of Eller Accounting graduates will pursue a Master of Accounting program directly following graduation.

“ My experience at Eller has been nothing short of amazing, rewarding, and unforgettable. I had opportunities to compete in national case competitions, obtain my dream career, and be an active member of a thriving business school community. As an MIS major in Eller, I was able to fuse my passions for technology and business in a way that was engaging and beneficial to my future career in the technology industry. ”
